Nguyen Huu Canh

Date of birth	10/05/1997
Gender	Male
Phone	079 8975 449
Email	nguyenhuucanh1505@gmail.com
Address	122/15/8/2, Bui Tu Toan Street, An Lac Ward, Binh Tan District, Ho Chi Minh City
Website	Skype: nguyenhuucanh1505@gmail.com Facebook: facebook.com/nguyen.huucanh.52

OBJECTIVE

With 6 months in building a web application (ReactJS), my objective is to take advantage of programming skills and experience to become a professional developer. In addition, I also enjoy learning new techniques to improve my programming skills and create a good experience for applications.

EDUCATION

August 2015 - September 2020	**Ton Duc Thang University** Major: Information System GPA: 7.09/10

WORK EXPERIENCE

April 2018 - July 2018 (3 months)	**FPT software**
	Internship
	Main responsibilities:
	- Learn about SAP system and ABAP language:
	  + Keywords, select statement
	  + Create domain, element, field
	  + Table maintenance
	  + Selection screen
	  + Functional module
	  + Create ALV reports
	  + Design smartforms according to customers requirements
	- Practice testing process
	- Presentation on an assigned topic
	
	Recognition and Gains:
	- Improve team-working and programming skills
	- Learn how to test products effectively

August 2020 - May 2021	**Cybersoft - Cyberlearn Academy** Student

Main responsibilities:
- Front-end course:
 + Learning basic about HTML5, CSS3, Bootstrap 4,
SASS/SCSS, jQuery, Javascript, Git, ReactJS, RestfulAPI, etc.
